"D.C.E." IS ALUMNUS OF THE YEAR

David C. Egner '61, better known to "Our Daily Bread" readers as D.C.E., was recognized by Alumni President Larry Puckett as Alumnus of the Year at the Friday night Homecoming dinner where the honoree was the speaker. He was accompanied at the event by his wife Shirley.

Egner came to Bryan "in a 1950 four-door Dodge" as a transfer student from Moody Bible Institute. Shirley (Whitener) x'63, a graduate of the Henry Ford Hospital School of Nursing in Detroit, was Bryan's campus nurse at the time. Dave and Shirley were married in 1961, the year of Dave's graduation from Bryan.

The Egners, who are long-time residents of Grand Rapids, Michigan, have three children. Ann, the oldest, graduated from Bryan in 1984 with a major in English like her Dad. Their two sons are Mark, a senior at Bryan, and Dean, who recently graduated from high school and is now working with computers.

Egner earned the B.D. at Grand Rapids Baptist Seminary and the M.A. at Western Michigan University. He was professor of literature at Grand Rapids Baptist College for five years before being called to Radio Bible Class in 1973 as Director of Editorial Services.

During his first years with the Grand Rapids based ministry Dave was editor of *Discovery Digest Magazine* and the author of several books including, *The Bear Goes South; Israel: Act III; Let's Talk About It: Guidelines for Young People; and The Gender Benders*.

The Egners have both been active in the Western Michigan Chapter of the Alumni Association and for a number of years, Dave served as president of the group. Always active members of the alumni body, they contributed much time and energy to the very successful Grand Rapids Bryan Friendship Banquet in 1982 with Dave serving as Emcee

David C. Egner

for the event.

Dave was one of the principal speakers at Bryan's 1985 Summer Bible Conference. A synopsis of his four messages on the human qualities of Jesus has been published in the fall issue of *Bryan Life* magazine.

The Egners continue to serve the Lord in Grand Rapids at the Northland Baptist Church as well as through Dave's full-time ministry at Radio Bible Class where he has recently been designated as Senior Writer.

Printed here, in tribute to our Alumnus of the Year are the faithfully iambic pentametered lines of Bryan's "campus bard" and 1971 Alumnus of the Year, Richard M. Cornelius, sometimes known as "Herman Shakespeare."

THE REDCROSSE KNIGHT RIDETH AGAINE

By Herman Shakespeare
(with apologies to Edmund Spenser)
Translated from Renaissance English
By R.M. Cornelius

A gentle knight was writing in the roome,
Ycladd with mightie pens and paper muche,
Wherein he wove his thought upon his loom.
For books and articles he had the touch. 1
And in his heart a bloodie crosse he clutch'd,
The deare remembrance of his risen Lord,
And Shirley's nursing days at Bryan and such, 2
Together with his call to Land of Ford 3
With R.B.C.'s fine band who wield the Spirit's Sword. 4

Although at four fine schools he bore the arms,
In which he joustet with the books and won,
The Bryan Flag e'er held for him such charms
He served her well from dawn to setting sun.
Along with daughter Ann and Mark his son,
There was a host of others he did tell,
Who came to Bryan life's mind-race to run.
And so this year's Alumni Honor Bell
Doth peale for David Egner, who hath done so well.

1 He has written **THE BEAR GOES SOUTH, ISRAEL: ACT III, LET'S TALK ABOUT IT, and THE GENDER BENDERS**; he has edited **DISCOVERY DIGEST**; he has contributed to such publications as **OUR DAILY BREAD**.

2 His wife Shirley was the nurse at Bryan when he met her.

3 The Egners now live and serve the Lord in Michigan.

ALUMNI CHALLENGED AGAIN!

FOUNDATION OFFERS \$10,000 CHALLENGE GRANT

The Alumni Association M.K. Scholarship Fund, which was tripled last year as a result of a \$5,000 challenge grant, has been challenged with a \$10,000 grant this year. That would mean a total of \$27,000 in alumni project funds for MKs for the '86-'87 academic year, compared to just \$6,000 available last year.

Bryan's alumni, who contributed \$12,000 in last year's effort, are being challenged this year to increase their donations for MKs to \$17,000.

The Alumni Association has traditionally been known to raise funds for deserving Bryan students. Seven years ago, in addition to gifts for general scholarship aid, the Alumni Association began the MK Scholarship Fund project at the suggestion of Francis Neddo '54, long-time member of the Alumni Executive Committee. Brother Neddo's vision for aid to missions, MKs, and to Bryan, has been magnified by the generous response of hundreds of alumni who have contributed to this fund.

Neddo's vision has become the vision for these alumni donors and has also caught the interest of the Christian foundation that has challenged alumni for the second consecutive

year. As a result this year 27 Bryan students who are children of missionary parents are receiving substantial financial aid for their education.

The sons and daughters of missionaries generally have greater need for financial help for their education. Because of recently available MK Scholarship Fund, dollars of various other funds that used to go to MKs first are now going to the students who rank next in need. Therefore the alumni sponsored MK fund provides a very positive benefit to many other deserving Bryan students.

Alumni contributions toward the \$17,000 goal for this year totaled \$2,500 as of October 1, about the same amount received last year by the same date.

All alumni will receive an invitation to channel their student aid gift to the MK Scholarship fund in the annual Gifts-for-the-King fund drive.

Pictures of all MKs at Bryan who are receiving alumni scholarship aid are on page three. An accompanying chart shows their parents' names, mission agency and their field of service.

Bryan Alumni Serve as Mission Executives

Bryan alumni are finding their missionary and business experiences leading them into executive positions in several mission organizations. A number have been noted by the Alumni Office and are reported here as an evidence of the hand of the Lord on these faithful servants.

SIM International claims three alumni in its executive offices — Dr. Ian Hay '50, General Director; Larry Fehl '57, United States Director; and Fred C. Ely '74, Stewardship Director.

Ian Hay '50

Dr. Hay began his missionary career as the child of missionary parents who served in Nigeria with Sudan Interior Mission. Following the completion of his college work at Bryan and earning the M.A. in missions at Columbia Bible College, Ian and his wife, June (Bell), a '51 alumna of Bryan, went to Africa to continue the ministry Ian's parents had initiated. After more than 14 years of service in Africa, where his leadership abilities were expressed as Field Secretary for West Africa, Mr. Hay was brought to the SIM headquarters office in New Jersey to serve as Home Director for North America in 1965. He was successively given the positions of North America Director and Deputy General Director until 1975 when he became the General Director of the mission which had been founded in 1893.

In May 1976 Mr. Hay was awarded the honorary degree of Doctor of Divinity by Bryan College in recognition of his faithful service in missions and also his membership on the Bryan College board of trustees since 1969. For six years he was chairman of the board.

Larry Fehl '57

Larry Fehl, who along with his wife, Shirley (Ardelean) '56, was accepted in 1962 for SIM missionary service, was a teacher and eventually the principal at Igbaja Seminary in Nigeria and during four years was SIM director in Nigeria. In 1983 he was invited to serve as United States Director with responsibilities for oversight of the headquarters office operations, developing and promoting the public image of SIM to enlist support, interviewing new candidates, and to carry out numerous responsibilities for the missionaries on the field.

Fred Ely '74

Fred Ely, son of SIM missionaries to Ethiopia, began his work with SIM in 1977 as an accountant in the stewardship department. After Fred and his wife, Grace (Smith) '75, were accepted as official members of SIM, Fred was named Assistant to the Stewardship Director, and in September of 1981 he became the Stewardship Director. In this position he oversees and manages all aspects of SIM's deferred giving program and also manages the direct mail program to keep donors informed of current projects and needs.

Dean Franklin '58

Dean Franklin '58 is Worldteam's new Deputy General Director following an appointment made this summer. His wife, Edith, is Candidate Secretary for the mission and was also elected to the U.S. Board.

In his new position, Dean will assist Director J. Allen Thompson in special field assignments and oversee administration of international ministries.

Dean and Edith became missionaries with West Indies Mission, the former name of Worldteam, and started their missionary career in 1964 on St. Vincent Island. They were later transferred to Trinidad, and in 1968 Dean was appointed to the position of Acting Superintendent of the Southeastern Caribbean Islands. In 1975 he added Surinam, South America, to his responsibilities and became an Area Director. The Franklins moved from Trinidad to Miami, Florida, in 1977 to work out of the headquarters office there. Three of the Franklin's four children have attended Bryan and the youngest son, Keith, graduated in 1985.

Gerald Smith '59

Gerald Smith '59 is an Associate Director of WEF-Ministries with headquarters in Langhorne, Pennsylvania. His field includes England, Ireland, Canada, and the United States, and his responsibilities involve church planting and the candidate and education departments of the mission. He travels extensively to recruit new missionaries and to represent the mission in churches and schools. He is assisted and often accompanied by his wife, Amy (Wilson), a Bryan alumna with the class of '59.

Prior to joining the WEFM staff in 1980, Jerry graduated from Dallas Seminary in 1964 and served several years as a pastor in Louisiana. During the 70s he gained additional experience through his work in the St. Louis headquarters office of Bible Memory Association, the Word of Life Institute in New York, and as Dean of Students at Ozark Bible Institute, which is now known as Citadel Bible College in Ozark, Arkansas.

Dwight Zimmerman '59

Dwight Zimmerman '59 has been General Director of Cedine Bible Mission since 1966, succeeding his father, Rev. Paul Zimmerman, who founded the mission in 1946, as a school visitation/summer camp program for Black children in Tennessee.

When he entered Bryan as a transfer student, Dwight became student pastor of the Christian Fellowship Church in Grandview and also assisted at Cedine Bible Mission until 1966. As General Director of Cedine he gives oversight to the staff of more than 40 persons and to the ministries which include a three-year, self-help Bible institute, summer camps and conferences, Bible correspondence courses, and community Bible classes in the tri-state area of Tennessee, Georgia and Alabama.

Cedine Bible Mission is a member of the Association of North American Missions and Mr. Zimmerman serves as secretary of the general council. He has been involved in various capacities in the leadership of the Association for over fifteen years.

Edgerton Reid '37 is Director of the Ohio Messianic Testimony with headquarters in Cincinnati, Ohio. A Bryan alumnus with one of the longest terms of missionary service, Edgerton and his wife, Sophia, began their work in Akron, Ohio, soon after Edgerton's graduation at Bryan, while his father, Dr. W.T. Reid, was Director of the mission he had founded in 1929.

On the 25th anniversary of the mission in 1954, Edgerton became the Director, following the homegoing of his father and he has continued his ministry in Cincinnati since that time. The mission also sponsors work in Akron and Dayton, Ohio, and supports a missionary in London, England.

Everett Boyce '56

Dr. Everett Boyce, a veteran of more than twenty years of mission work, is now the Director of Operations on the staff of International Students, Inc., with offices in Colorado Springs, Colorado.

Following his graduation from Bryan, Everett received the M.S. in history at the University of Tennessee and with his wife, Faith, and three children went to teach at Faith Academy, a school for missionary children in Manila, Philippines. During furlough from 1974 to 1976, Everett worked on a doctorate in educational administration, which was conferred in 1979. For four years, 1976 to 1980, he joined Open Doors with Brother Andrew as Director of Program and Training for the Asian Branch.

In 1980 Dr. Boyce joined the staff of International Students, Inc., and has served as Director of Planning, Special Assistant to the President, and Field Director until being assigned to his present position. He is now available as a speaker with special expertise on China and closed areas of the world.

He is the author of several books, including "The Challenge: Victory", which is used by ISI in the training of internationals.

Donald Crane '66

On the European field, Donald Crane '66 has become Associate Director for Central Europe for Greater Europe Mission. Assisted by his wife, Beatrice (Pendleton) '66, Don began his ministry with GEM in 1971 in Portugal where he became Director of the Portugal Bible Institute. Don now works with GEM missionaries in France, Germany, Austria, and Eastern Europe (including Greece) to help develop strategies in general evangelism, church planting and leadership training ministries. Special emphasis is being given to Muslim evangelism and to the four Bible schools in central Europe that are training leaders for the church.

Daniel Harrison '63 is Vice President for Development and North America Area Director for Wycliffe Bible Translators with headquarters in Duncanville, Texas. Dan and his wife, Shelby (Skinner) '61, have been members of Wycliffe since 1964. They first served as headmaster and teachers of Ukarumpa High School, a school for missionary children in Papua New Guinea. In 1970 Dan was asked to take the responsibility as superintendent of Children's Education for all of Wycliffe's schools. Now as part of the international administration of Wycliffe, the Harrisons, including their four daughters, are trusting the Lord to use them to speed the ministry of Bible translation.

Class Notes

30's 40's 50's

Tibbs Maxey '34 of El Paso, Texas, shares the news of the homegoing of his wife, Norma, in March this year.

Mabel (Arnold) '40 and Arthur Walker continue to reside in Columbus, Ohio, where Arthur has his headquarters for directing his ministry for the Southern Baptist Convention. Mabel travels with Arthur most weekends to churches where he preaches. At her home church she assists as teacher and organist and chairman of the hospitality committee.

Roger '50 and Phyllis Bacon, who are ministering in Valleyfield, Quebec, under Evangelical Baptist Missions, are encouraged by reponses. One couple received Christ after 36 years in the Jehovah's Witnesses; two 19-year-olds testified to their faith in Christ by baptism; one of the 19s was married in the evangelical church instead of a cathedral to a fine Christian young man. Roger is preparing a course on the Cults, recognizing two major facts in our Christian doctrine: Christ is God and the Bible alone is the Word of God and only source of authority.

Ernest '52 and Lois (Cartright) '54 Lee left the Solomon Islands and their work on the Pijin translation to take furlough a year earlier than planned because of Lois's health. They are living in Dallas and have their youngest child, Tina, with them. Their older daughter, Karen, is a senior at Bryan.

Ron '52 and Gladys (Jennewein) '50 Mezner were on furlough this summer beginning in June when they came for their daughter Jenny's wedding. With a 60-day air pass Gladys visited quite a number of friends and supporters and returned to Brazil on August 24, following a visit to their daughter Jill '75 and her husband in Austin, Texas. Ron is staying in the States until November in order to visit other supporting churches.

Doris (Bunch) Sargent '52 Tracy City, Tennessee, is back in the classroom for the 30th year of teaching Bible in her area with a schedule of 33 classes per week.

Tom Taylor '54, associate professor of church history and Old Testament at Biblical Theological Seminary in Hatfield, Pennsylvania, will be one of the speakers for Congress '85 to be held December 28-31, 1985 at Prospect Heights, Illinois.

Donald '53 and Joy Ann (Conlan) x'54 Walker completed a year of furlough in time to return to their mission work in West Germany in early September. Their daughters, Miriam, 9, and Magdalena, 11, will be making another school adjustment as they return to a German school. Their son Matthew and his wife, Christie, took the leadership of the small church in Amberg during the Walkers' furlough. Their son Mark and his wife, Maria, are planting a New Testament church in Weil am Rhein in Germany, just across the river from Basel, Switzerland. The Walkers' older daughters, Martha and Mary are both married.

Spud (Charles) '56 and Charlotte (Davis) x'56 Willoughby traveled last summer for Citadel Bible College, accompanied by their son Steve, who is a senior. One weekend in Chicago they had a retreat for Spanish-

speaking folks of Moody Church. The following weekend Spud baptized seven Spanish believers in the sanctuary at Moody Church and then preached in the Sunday evening service. An important family event was the marriage of their daughter, Priscilla, to David Wile; they are preparing for missionary service. Their son Tim x'80 and his wife, Joellen, are already involved in missions in Uruguay but are home on a medical leave; another son, Dan, and his wife, Deb, are also planning to go to Uruguay; their oldest son, Dave, and his wife, Donna, continue their service at Citadel Bible College; and their youngest son, Steve, is interested in missions after seminary training.

Pearl Rathbun '56 spent two weeks in June with her mother in Wheaton, Illinois, sharing and comforting her mother after her father's homegoing in May. Back in Korea, Pearl assisted in English Encounter, which was a camp shared this year by 63 students. She directed a musical on the final camp night.

Howard Spanogle x'59 has taught journalism for 17 years to students at Glenbard High School in Lombard, Illinois. Recently his students were challenged to gather the reactions of teenagers across America, which they reported in a 270-page volume called *Teenagers Themselves*. The book went on sale in bookstores in the summer of 1984. Howard and his wife, Juanita (Long) x'60 have been teaching in public school for over 20 years and residing in Wheaton.

Alice (Tobelman) '59 and Gary Fredricks with their sons Scott and Mark, were scheduled for their 21st airplane flight of the summer, when they returned to Kenya. Gary teaches in the Nairobi International School of Theology. Their sons attend boarding school.

SEEN AND HEARD

Alumni Chapel speaker Steve Strauss '76 exhorted students to conquer life the way the children of Israel conquered Jericho: "by carrying out God's directions to us no matter how unusual those directions may appear to the unbelievers around us." Steve and Marcia (Krick) x78 Strauss are pictured having a chat with Stu Meissner as Mark and Cora observe from Mom and Dad's shoulders.

It's alumni women vs. the Lady Lions in the annual Homecoming basketball game.

Runners from ten cross country teams including the alumni Monkeytown Striders, move through the first lap of Bryan's cross country course creating a scene reminiscent of the film, "Chariots of Fire."

The alumni soccer team included graduates from the class of 1967 through the class of 1985.

Beth Bradshaw (L) and Betsy Phillips '76 (R) along with the head of the Craft Fair committee, Linda Chattin '69 (not pictured) help in the successful annual event that raised \$890 in scholarship aid for MK students.

Pitched in the Grassy Bowl, the Alumni Tent provided the setting for all alumni Homecoming events.

President Mercer receives the lion from the Class of '80: "These splendid lions which will ornament our administration building are a reminder to us of the Lion of the Tribe of Judah, and our guiding vision of "Christ Above All."

"BEHOLD THE LION OF THE TRIBE OF JUDAH" - REVELATION

Part of the crowd of more than 300 alumni and students get a closer look at one of the two lions before it is cemented into place on the front steps of the administration building.

AT HOMECOMING

Friday Night Dinner

Seated at the head table for the Friday evening dinner are, left to right, Dr. and Mrs. Ted Mercer, Shirly (Whitener) '63 and David Egner '61, Velma (Nothnagle) '57 and Stu Meissner '56, Larry Puckett '73, Anna '06 and Andrew '05 Puckett and Patty (Baker) '75 Puckett.

Alumnus of the year David Egner speaks on the Homecoming theme from I Corinthians 9:24-27, "Obtaining the Prize." Egner focused on 1) **The Race** which is ours to run; 2) **The Runner**, a man or woman who is marked by strict self-discipline, who has a clear goal in mind, and who is determined to triumph over self; 3) **The Prize**, a crown we ultimately lay at Jesus' feet, a life of service that brings glory to God. Mr. Egner finished his talk by naming over thirty Bryan alumni who are "obtaining the prize" of a life of service to God as pastors, professors, missionaries, businessmen and women, scientists, school teachers, musicians, evangelists, doctors and lawyers.

Dave Egner receives the Alumnus of the Year certificate from alumni president Larry Puckett.

were given to year reunion

Because of their faithfulness and loyalty in supporting our Alma Mater two couples were inducted into the Alumni Association as honorary alumni. Pictured left to right are Dr. and Mrs. Robert Spode, Mr. and Mrs. Kenneth Morgan and alumni president Larry Puckett.

Under the direction of Dennis Bodlien '73 the thirty-four voices of the Alumni Choir blend in "The Lion of Judah Medley."

Saturday Casual Banquet

"Alumni can help see that many more 18-year old young people can enter the unique educational experience that Bryan College has for them—where they can learn self-confidence and reliance upon their Saviour whom they can learn more about here. I know this was the case with me," Alumni President Larry Puckett testifies to 200 alumni gathered at the Saturday banquet.

Tom Branson '80 sings "Thank God for this mountain and William Jennings Bryan, Thank God his dream become reality. Bryan Hill stands for all the world to see, proudly raising its Christian Banner, Christ is all we need—Christ is above all; He is our everthing."

In addition to the 30 voices of the class of '80 choir, Tom Branson and Mark Robbins brought an inspiring duet number.

6 Class Notes (Cont. from Page 3) 60's

Ron '64 and Diane (Peck) x'64 Morren are living in Dallas, Texas, where Ron is serving at the Dallas Training Center of Wycliffe Bible Translators as a teacher of new members preparing to go to the field. His love for missions, his university training, and his own missionary experience have provided good background for his present teaching.

Bob x'65 and Dorothy (Sides) '65 Kaatz with their three daughters moved in August to Roedermark, Germany, to assist with church planting and building believers. Two of their daughters are attending Christian schools—Libby at the Christian School in Frankfurt, and Christy at Black Forest Academy, also in Germany.

David '65 and Anne (Kelly) '65 Lind report 63 students in Fortaleza Academy this year in Brazil. One of their '85 graduates, Walter Gordon, is a freshman at Bryan this year. The Linds are attending New Life Baptist Church and praying for a Brazilian couple to help in this work. Brazil celebrated in Independence Day on September 7 with new significance since the country has returned to civilian government after 20 years of military rule. Pray for continued open doors for missionary activity in Brazil.

Robert '65 and Robin (Seaver) '65 Crane left Tok, Alaska, in mid-August to take their son, Ken, to North-Western College in St. Paul, Minnesota, and go on with their daughter, Naomi, to Richmond, Virginia, where they will make their home base during their four-month furlough. Bob has accepted the directorship of the church division of SEND International of Alaska, which includes the responsibility for all the missionaries assigned to the church division and being a member of the Alaska Council of SEND.

Barry '69 and Nancy (Leininger) '68 Gilman live in Richmond, Virginia, with their three growing sons—the oldest is a teenager. Barry is Virginia manager for Richelean, a dry cleaning and laundry supply company.

70's

Miriam Gebb x'71 returned in September to Ecuador to renew her ministry from Shell Mera in health services and spiritual encouragement to Quichuas and others. She serves under World Radio Missionary Fellowship which also sponsors radio station HCJB in Quito.

Dann '73 and Linda (Howard) '73 Speichinger and their four children completed a summer trip of 8,300 miles, visiting friends and relatives in the East and returning to Tec Nos Pos, Arizona, in time for the fall term of school at Immanuel Mission. They had 98 students signed up in advance for their school which ministers especially to Navajo children.

Rick '73 and Marilyn (Crandall) '70 Speece are encouraged by the response of their translation helpers, two of whom have come to know the Lord and are eager to serve Him. Rick took them and three other translation helpers on an excursion by airplane and van to visit the translation center at Ukarumpa in Papua New Guinea and then to several other locations where nationals are working independently or alongside missionaries. Rick has been updating the gospels by Matthew, Mark, and Luke on the computer, making printouts, and having them bound, so they can be used in reading classed for the Angave at Angai in New Guinea.

Lynne (Stevens) '71 and Des Harper with their three children moved from India to Lahore, Pakistan, in mid-May to a predominantly Muslim culture. Des had opportunity to help teach over twenty young Pakistani men in a program of discipleship and evangelism. He was scheduled to attend an Operations Mobilization annual fall conference in Belgium to help interview and prepare a team to head East for a two-year program. The Harpers' two older children, Sean and Sheila, began school in Pakistan this fall.

David '72 and Diane (Morgan) '70 Smith moved to Mt. Pleasant, South Carolina, where David is setting up the lab and will be lab manager at a new AMI Hospital.

Leroy '73 and Beckie (Conrad) '72 Nicholson in Rawalpindi, Pakistan, recognized God's special protection when Leroy and Daniel, a friend from Bible school, were in an accident when their car was smashed between two buses. It seemed a miracle that they had only bruises and sore muscles. Leroy's language progress enables him to correct Urdu Bible lessons. He "preached" his first message in Urdu in February.
